4.2. Budgets for salaries and wages, including employer contributions, shall be reviewed by the Employment & Staffing Committee at least annually in November for the following financial year. The final version shall be evidenced by a hard copy schedule signed by the Clerk/RFO and the Chair of the Employment & Staffing Committee. The Clerk/RFO may include provisional staffing budget figures within the draft budget prior to this review, provided that such figures are clearly identified as provisional and are updated following review by the Employment & Staffing Committee.

4.3. No later than October each year, the Clerk/RFO shall prepare an initial draft budget with detailed estimates of all income and expenditure for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.

- 4.4. Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for partially completed projects may only be carried forward (by placing them in an earmarked reserve) with the formal approval of the full council.
- 4.5. Each committee shall review its relevant draft budget requirements and submit any proposed amendments to the Clerk/RFO for inclusion in the annual budget-setting process and, where appropriate, consideration by the Finance Committee. Where a committee's meeting cycle does not allow this to be completed before the Finance Committee's initial budget review, the Clerk/RFO may include provisional figures, to be updated before the final budget is submitted to Full Council.
- 4.6. The draft budget, including any committee proposals, provisional or confirmed staffing budget figures, forecast information, and any recommendations for the use or accumulation of reserves, shall be considered by the Finance Committee, which shall make recommendations to Full Council.

- 4.9. The Clerk/RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.
- 4.10. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.
- 4.11. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

5. Procurement

- 5.1. Members and officers are responsible for obtaining value for money at all times.**

- 5.2. The Clerk/RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.

- 5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation (“the Legislation”), must be followed in respect of the tendering, award and notification of that contract.**
- 5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:
- 5.6. For contracts estimated to exceed £60,000 including VAT, the Clerk/RFO shall seek formal tenders from at least three suppliers agreed by the council. Tenders shall be invited in accordance with Appendix 1.

- 5.10. For smaller purchases, the Clerk/RFO shall seek to achieve value for money.
- 5.11. **Contracts must not be split to avoid compliance with these rules.**
- 5.12. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:
- i. specialist services, such as legal professionals acting in disputes;
 - ii. repairs to, or parts for, existing machinery or equipment;
 - iii. works, goods or services that constitute an extension of an existing contract;
 - iv. goods or services that are only available from one supplier or are sold at a fixed price.
- 5.13. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council or relevant committee. Avoidance of competition is not a valid reason.
- 5.14. The council shall not be obliged to accept the lowest or any tender, quote or estimate.
- 5.15. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

- 5.16. No individual member, or informal group of members may issue an official order or make any contract on behalf of the council.
- 5.17. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council or a duly delegated committee acting within its Terms of Reference, except in an emergency or where the expenditure is necessary routine, operational, compliance, health and safety, or essential maintenance expenditure and is within the Clerk/RFO's delegated authority and, where required by these Regulations, with the Chair's approval. Any such expenditure shall be reported through the next budget monitoring report.
- 5.18. In cases of serious risk to the delivery of council services or to public safety on council premises, the Clerk/RFO may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk/RFO shall report such action to the Chair as soon as possible and to the council or relevant committee as soon as practicable thereafter.
- 5.19. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.
- 5.20. An official order or letter shall be issued for all work, goods and services above £250 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.
- 5.21. Any ordering system can be misused and access to them shall be controlled by the Clerk/RFO.

6. Banking and payments

- 6.1. The council's banking arrangements, including the bank mandate, shall be made by the Clerk/RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Barclays. The arrangements shall be reviewed annually for security and efficiency.
- 6.2. The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation or dual cheque signing. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

- 6.3. All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council before being certified by the Clerk/RFO.
- 6.4. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.
- 6.5. All payments shall be made by online banking in accordance with a resolution of the council, duly delegated committee, or a delegated decision by an officer, unless the council resolves to use a different payment method.
- 6.6. For each financial year, the Clerk/RFO may draw up a schedule of regular payments due in relation to a continuing contract, statutory obligation or employment-related obligation, such as salaries, PAYE, National Insurance, pension contributions, rent, rates, regular maintenance contracts and similar items. This schedule shall be submitted to council for approval, authorising those payments in principle for the year.
- 6.7. Once approved, payments listed on the schedule may be processed without further individual authorisation by the council, provided they are in line with the approved amounts and frequency. Before any such payment is released, the Clerk/RFO shall check that the payment is properly due, has not already been paid, and matches the approved schedule, payroll records, contract documentation or other relevant supporting documentation. Where the bank requires a second online authoriser, the second authoriser shall carry out a reasonable check of the payment details before authorising release of the payment.
- 6.8. A list of such payments shall be reported to the next appropriate meeting of the council for information only.
- 6.9. The Clerk/RFO shall have delegated authority to authorise payments in the following circumstances:
 - any payments of up to £500 excluding VAT, within an agreed budget.
 - payments of up to £2,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.
 - any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 or to comply with contractual terms, where the due date for payment is before the next scheduled meeting of the council, where the Clerk/RFO certifies that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council.
 - Fund transfers within the council's banking arrangements up to the sum of £50,000, provided that a list of such payments shall be submitted to the next appropriate meeting of council.

6.10. The Clerk/RFO shall present to the council a schedule of payments requiring authorisation, which shall form part of the agenda for the meeting. The relevant invoices shall be made available to members at the meeting. The council shall review the schedule and, having satisfied itself that the payments are properly due and authorised, shall approve payment by resolution. The authorised schedule shall be initialled immediately below the last item by the person chairing the meeting. A detailed list of all payments shall be disclosed within, or appended to, the minutes of that meeting.

With the approval of the council in each case, regular payments (such as gas, electricity, telephone, broadband, water, National Non-Domestic Rates, refuse collection, pension contributions and HMRC payments) may be made by variable direct debit, provided that the instructions are signed/approved online by two authorised members. The approval of the use of each variable direct debit shall be reviewed by the council at least every two years.

- 7.10. If thought appropriate by the council, regular payments of fixed sums may be made by banker's standing order, provided that the instructions are signed or approved online by one member, evidence of this is retained and any payments are reported to council when made. The approval of the use of a banker's standing order shall be reviewed by the council at least every two years.
- 7.11. Account details for suppliers may only be changed upon written notification by the supplier verified by the Clerk/RFO and a member. The Debit Card may be used to make payments for expenditure properly authorised in accordance with these Financial Regulations, whether by the council, a duly delegated committee, or under officer delegated authority. For any single transaction exceeding £500, the Clerk/RFO shall ensure that the expenditure has been authorised in advance and that any required Chair's approval has been obtained before payment is made. All Debit Card payments shall be supported by appropriate documentation and reported to the next appropriate meeting of the council.

Vouchers for payments made from petty cash shall be kept, along with receipts or other evidence to substantiate every payment. Payments to replenish the petty cash float shall be shown separately on any schedule of payments presented for approval.
